SfYP Free CDI Audit Offer

- Services for Young People contacted all secondary school career leaders and offered a free offer of support to audit their careers provision against the new CDI Framework
- 32 schools took up the offer. They received the free audit and an accompanying report to support their development goals in the 6 key areas
- The offer was extended across the entire 2021-2022 academic year due to positive response.
- Please notify us today if you haven't accessed this offer and would like to schedule this (drop a message into the chat or email your area development worker).
